5. Small footprint allows chair to fit in a small area

Performance

- 350 lb capacity
- Heavy duty mechanism completely covered by all inclusive 12 year warranty

Environmental Sustainability

- HHI Compliant
- Air Quality Certification BIFMA 207.7HI

Back Styles

straight back 628-S

flared back 628-F

Options and Accessories

Profile tablet

The profile tablet provides the patient with a generous and sturdy multi-purpose surface. When not in use it easily folds flush against the side of the chair.

Folding side tablet

A molded plastic tablet with raised edges that folds flush on the side of the arm panel.

Swiveling side tablet

Swiveling table that can be positioned in any position then locked. The swiveling table is also removable and available in 3 sizes.

Folding arm

Arm panel that can be folded to access the patient from the side of the chair. This is particularly useful for transferring patients to and from the bed.

Rolling foot tray

A platform tucked under the seat that can be pulled out to provide a foot rest that moves with the recliner.

Softgrip push bar

A tubular push bar with a softgrip cover for pushing the recliner.

Ergotron arm

Supports TV/DVD players and may be adjusted into a multitude of positions.

Drainage bag holder

A retractable loop for foley bags. It can be placed anywhere on the arm panel of the recliner.

Heated seat and lumbar

The heated seat and lumbar provides therapeutic warmth and eliminates the need of warming blankets. The optional massaging action provides three variations: wave, pulsating, and vibrating.

Central locking system

All wheel locking system with 3" double wheel Tente Casters
